v.

Gabriel Gonzalez  
Defendant, Pro Se

## Motion to allow filing

Gabriel Gonzalez asks this honorable court to grant him latitude by accepting this recently returned motion and to extend him a brief period in which to correct any omissions or delays in recent filings.

For reasons unknown, Gonzalez has had several recent filings returned to him as undeliverable to this court. Gonzalez has not had this problem before but wishes to resubmit these entries so that the court has a complete record of the facts and arguments presented in this matter. Gonzalez regrets this problem and apologizes for this interruption.

Gonzalez prays this court grant him an opportunity to make his record whole, to serve him with a recent copy of his docket sheet as it pertains to his compassionate release filing(s), and allow him to resend his documents to the court's E. Temple address since it appears all mail sent during July and August 2020 has been delayed, returned, or lost.

## Verification

Gonzalez certifies the foregoing to be true and correct. Executed at Forrest City, Arkansas on this 19th day of August, 2020.
